GENERAL CONDITIONS

Customization and manufacturing:

- Our products are custom made (weight, color, logo, hitch type, etc.).
- These products are exempt from the right of withdrawal once the manufacturing process has begun, in accordance with Article 103.c of Royal Legislative Decree 1/2007.
- It is the client's responsibility to verify specifications before approving the final quote.

Prices:

- All prices are in euros (€), excluding VAT, unless otherwise specified.
- Shipping costs are not included in the initial price and will be calculated based on the destination and order conditions.
- Prices are valid except for typographical errors or modifications due to causes beyond the company's control (variation in materials, transportation, etc.).

Payment methods:

- Payment is made by bank transfer after order confirmation.
- In some cases, an advance payment or payment in stages may be required, especially for custom-made products.
- Payment details will be sent via email or WhatsApp once the order has been validated.

Shipping:

- We ship nationally and internationally. Customers can also arrange for pickup through their own shipping company.
- The usual delivery time is 7 to 15 business days, depending on the product and destination.
- MASSEPOIDS is not responsible for delays due to external causes such as customs, transport strikes, or weather events.

Warranty and returns:

- All our products come with a 2-year warranty against manufacturing defects.
- You have 14 calendar days to return a product, provided it has not been used or unpacked.
- Return shipping costs are the customer's responsibility, due to the volume and weight of the products.
- MASSEPOIDS will only cover return costs in the event of a duly accredited manufacturing defect.

CAST IRON - DESIGN

- Precision-engineered and manufactured in a single piece of cast iron, these masses stand out for their high density (7.2 g/cm³) and their excellent resistance to impact, wear, and weathering.
- Optimized dimensions for maximum weight with reduced volume, facilitating integration into limited spaces.
- Coated with anti-corrosive epoxy paint, resistant to weather and chemical agents, ideal for agricultural or industrial use.
