CONDITIONS GÉNÉRALES

Personnalisation et fabrication:

- Nos produits sont fabriqués sur mesure (poids, couleur, logo, type d'attelage, etc.).
- Ces produits sont exclus du droit de rétractation une fois le processus de fabrication commencé, conformément à l'article 103.c du Décret législatif royal 1/2007.
- Il appartient au client de vérifier les spécifications avant de valider le devis final.

Prix:

- Tous les prix sont indiqués en euros (€), hors TVA, sauf mention contraire.
- Les frais de transport/livraison ne sont pas inclus dans le prix initial et seront calculés en fonction de la destination et des conditions de la commande.
- Les prix sont valables sauf erreur typographique ou modification due à des causes indépendantes de l'entreprise (variation des coûts des matériaux, du transport, etc.).

Modalités de paiement:

- Le paiement s'effectue par virement bancaire après confirmation de la commande.
- Dans certains cas, un acompte ou un paiement échelonné pourra être demandé, notamment pour les produits sur mesure.
- Les informations de paiement seront envoyées par e-mail ou WhatsApp après validation de la commande.

Livraisons:

- Nous effectuons des livraisons nationales et internationales. Le client peut également organiser l'enlèvement avec sa propre société de transport.
- Le délai habituel de livraison est de 7 à 15 jours ouvrables, selon le produit et la destination.
- MASSEPOIDS ne pourra être tenu responsable des retards dus à des causes externes telles que les formalités douanières, les grèves des transports ou les conditions climatiques.

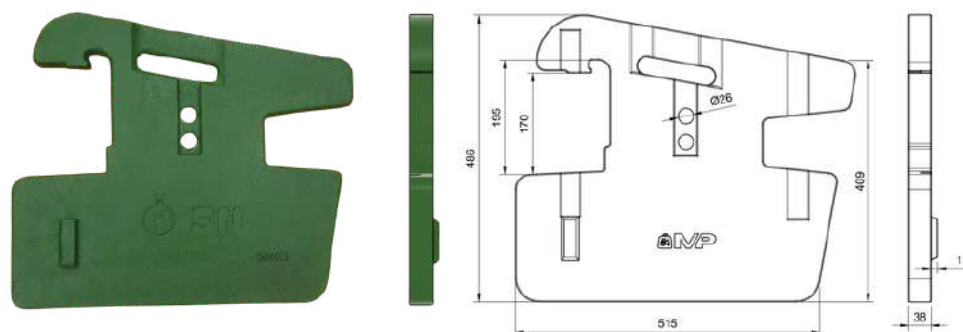

Garantie et retours:

- Tous nos produits bénéficient d'une garantie de 2 ans contre les défauts de fabrication.
- Vous disposez de 14 jours calendaires pour retourner un produit, à condition qu'il n'ait pas été utilisé ni déballé.
- Les frais de transport liés au retour sont à la charge du client, en raison du volume et du poids des produits.
- MASSEPOIDS prendra uniquement en charge les frais de retour en cas de défaut de fabrication dûment constaté.

DEVENEZ DISTRIBUTEUR OFFICIEL DE MASSEPOIDS

Développez notre gamme de contrepoids dans votre pays et faites grandir votre activité avec une marque internationale

Si vous avez une entreprise ou si vous êtes indépendant dans le secteur agricole ou industriel, c'est l'opportunité de devenir distributeur officiel de Massepoids.

Nous concevons, fabriquons et personnalisons nos propres contrepoids, et nous recherchons des partenaires stratégiques pour développer notre présence dans le monde entier.

Fabrication propre

Fabrication sur mesure

Support commercial

Logistique incluse

Comment devenir distributeur?

1. Remplissez le formulaire disponible sur notre site web.
2. L'un de nos responsables vous contactera.
3. Nous vous fournirons toutes les informations nécessaires pour commencer à travailler avec nous.

Prérequis

1. Être une personne morale: entreprise ou travailleur indépendant légalement enregistré dans votre pays.
2. Avoir un réel intérêt pour représenter et commercialiser nos produits.

TRAVAILLEZ AVEC NOUS EN TANT QU'INDÉPENDANT DANS VOTRE PAYS

Représentez une grande marque et gagnez des commissions. Développez votre carrière dans le secteur agricole

Nous recherchons des commerciaux indépendants passionnés par le matériel agricole, souhaitant représenter nos produits avec **liberté, flexibilité et le soutien d'une marque reconnue sur le marché européen.**

Représentez une
marque avec
fabrication propre

Revenus attractifs
et évolutifs

Flexibilité et
autonomie totale

Développez votre
activité avec une
marque reconnue

Que proposons-nous?

1. Travailler en tant que commercial indépendant, avec des horaires flexibles.
2. Commissions évolutives selon le volume des ventes.
3. Prime annuelle selon les objectifs atteints.
4. Accompagnement de la marque pour vous aider à vous développer en tant que professionnel du secteur.

Quel profil recherchons-nous?

1. Indépendants légalement enregistrés dans leur pays.
2. Expérience préalable dans le secteur des machines ou équipements agricoles.
3. Motivation, attitude proactive et forte envie d'apprendre.
4. Réseau de contacts ou influence dans le secteur agricole de votre région.
