GENERAL CONDITIONS

Customization and manufacturing:

- Our products are custom-made (weight, color, logo, hitch type, etc.).
- These products are exempt from the right of withdrawal once the manufacturing process has begun, in accordance with Article 103.c of Royal Legislative Decree 1/2007.
- It is the customer's responsibility to verify the specifications before approving the final quotation.

Prices:

- All prices are stated in euros (€), excluding VAT, unless otherwise specified.
- Shipping/transport costs are not included in the initial price and will be calculated according to the destination and order conditions.
- Prices are valid except in the case of typographical errors or changes caused by factors beyond the company's control (material costs, transport, etc.).

Payment methods:

- Payment is made by bank transfer after order confirmation.
- In some cases, a deposit or staged payment may be required, especially for custom-made products.
- Payment details will be sent by email or WhatsApp once the order has been confirmed.

Shipping:

- We offer both national and international shipping. Customers may also arrange collection using their own transport company.
- Standard delivery time is 7 to 15 business days, depending on the product and destination.
- MASSEPOIDS shall not be held responsible for delays caused by external factors such as customs procedures, transport strikes, or weather conditions.

Warranty and returns:

- All our products come with a 2-year warranty against manufacturing defects.
- You have 14 calendar days to return a product, provided it has not been used or unpacked.
- Return shipping costs are the responsibility of the customer due to the size and weight of the products.
- MASSEPOIDS will only cover return costs in cases of duly verified manufacturing defects.

FRONT BUMPER COUNTERWEIGHT

- Agricultural front counterweight designed to improve tractor stability, balance, and safety.
- “Bumper” style design with reinforced hollow front structure.
- Partial impact absorption function for minor bumps and accidental contact.
- Large multifunctional internal compartment for tools, chains, slings, and agricultural equipment.
- Manufactured from high-strength steel for intensive professional use.
- Integrated front protection for demanding agricultural work.

CAST IRON – DESIGN

- Precision-engineered and manufactured in a single cast iron piece, these weights stand out for their high density (7.2 g/cm³) and excellent resistance to impacts, wear, and weather conditions.
- Optimized dimensions for maximum weight with reduced volume, allowing easy integration into limited spaces.
- Anti-corrosion epoxy paint coating, resistant to weather and chemical agents, ideal for agricultural or industrial use.

BECOME AN OFFICIAL MASSEPOIDS DISTRIBUTOR

Bring our counterweights to your country and grow your business with an international brand

If you own a company or work as a self-employed professional in the agricultural or industrial sector, this is your opportunity to become an official Massepoids distributor.

We design, manufacture, and customize our own counterweights, and we are looking for strategic partners to expand our presence worldwide.

**In-house
manufacturing**

**Custom
manufacturing**

**Commercial
support**

**Included
logistics**

How to become a distributor?

1. Fill out the form available on our website.
2. One of our representatives will contact you.
3. We will provide you with all the information you need to start working with us.

Requirements

1. Be a legal entity: a company or self-employed professional legally registered in your country.
2. Have a genuine interest in representing and marketing our products.

WORK WITH US AS A SELF-EMPLOYED SALES REPRESENTATIVE IN YOUR COUNTRY

**Represent a leading brand and earn commissions.
Grow your career in the agricultural sector.**

We are looking for self-employed sales representatives with a passion for agricultural machinery, who want to represent our products with **freedom, flexibility, and the support of a well-established brand in the European market.**

**Represent a
brand with in-
house
manufacturing**

**Scalable and real
income**

**Total flexibility
and autonomy**

**Grow in the
sector with a
recognized brand**

What do we offer?

1. Work as an independent sales representative with flexible working hours.
2. Tiered commissions based on sales volume.
3. Annual bonus for achieving targets.
4. Brand support to help you grow as a professional in the sector.

What profile are we looking for?

1. Self-employed professionals legally registered in their country.
2. Previous experience in agricultural machinery or equipment.
3. Motivation, a proactive attitude, and a strong willingness to learn.
4. Contacts or influence within the agricultural sector in your area.
